

**THE UNIVERSITY OF HONG KONG**

**Lecturer in the Department of Computer Science  
(Ref.: 201700194)**

Applications are invited for appointment as **Lecturer in the Department of Computer Science**, to commence on August 1, 2017 or as soon as possible thereafter for one year, with the possibility of renewal.

The Department of Computer Science is a forward-looking Department committed to playing a leading role in the software and information technology initiative in Hong Kong and the Asia-Pacific region. We offer programmes at both undergraduate and postgraduate levels, and have excellent computing resources, well-equipped teaching and research facilities and support. Further information about the Department can be obtained at <http://www.cs.hku.hk/>.

Applicants should possess a Ph.D. degree in Computer Science or a related discipline and a minimum of two years' teaching experience in tertiary institutions. Lecturer plays a key role in the Department's teaching team. The appointee is expected to provide high-quality teaching, at both undergraduate and postgraduate levels in Computer Science, as well as be active in pedagogical innovations and curriculum enhancement. Preference will be given to those who have experience, a good record and commitment in teaching Computer Science courses. He/She will also be required to support various administrative services.

A highly competitive salary commensurate with qualifications and experience will be offered, in addition to annual leave and medical benefits.

Applicants should send a completed application form, together with an up-to-date C.V. to [recruitment@cs.hku.hk](mailto:recruitment@cs.hku.hk). Application forms (341/1111) can be downloaded at <http://www.hku.hk/apptunit/form-ext.doc>. Further particulars can be obtained at <http://jobs.hku.hk/>. Please indicate clearly in the form and the subject of the e-mail the post applied for and the reference number. **Closes March 25, 2017.**

The University thanks applicants for their interest, but advises that only candidates shortlisted for interviews will be notified of the application result.

*The University is an equal opportunities employer and  
is committed to equality, ethics, inclusivity, diversity and transparency*
